Tokens and Medals

Washingtonia

The following Washingtonia, offered in collection and dealer type groupings is probably the largest such offering of its kind. Within many of these groups are scarce and seldom seen pieces, as well as useful dealer or promotional type items. Take particular note of groups with non-numismatic ephemera-many items which are quite interesting. A great majority of the items have detailed attributions and many have intriguing pedigrees offering a "Who's Who" of exonumia dealers and collectors.

6001 **1872 California Gold Octagonal Quarter Dollar, with Washington Head.** An attractive example. ***($300-400)***

Type of Baker 503 (Breen-Gillio 722), this example is **Brilliant Uncirculated,** and is Ex Superior's 1988 Lee Collection, Lot 638.

6002 **1872 California Gold Round Quarter Dollar, with Washington Head.** A lovely example with an excellent pedigree. ***($375-500)***

A very attractive specimen of Baker 503 (Breen-Gillio 818). This example also pedigrees to the Lee Collection Sale, Lot 785 (September, 1988) and is full **Choice Uncirculated,** with proof-like surfaces. A virtually unimprovable example for type.

6003 **Washington Related Civil War Tokens, Most Baker Listed.** Excellent dealer group. [33] ***($300-450)***

Though there is much duplication, there are a few interesting store cards, several Washington portrait types and a few that Baker did not list. Mainly **EF** or better, several red and brown **AU** or **Uncirculated** tokens. Most are attributed with several good pedigrees evident.

6004 **Washington Portrait Game Counters.** A high condition dealer group. [26] ***($80-120)***

A dealer grouping with only a few types duplicated (Baker 595, 602 etc), however there are several choice golden brass **Uncirculated** specimens. An unusual group to say the least.

6005 **Washington Portrait Related Storecards.** [40] ***($180-280)***

Dealer grouping from Maine to Pennsylvania, a few interesting New York storecards. Some more modern pieces (after 1900), but a few more interesting items included. **Good-Unc.,** most **VF** or so. Should be seen.

6006 **Washington Storecards, Related Items and Medal-Paperweights.** [29] ***($160-280)***

6007 **Washington Portrait Storecards and Related.** Another dealer grouping. [53] ***($140-280)***

6013 **1889 Washington Centennial, Douglas 50 Steel Die and Trial.** [3] ***($75-150)***

Unusual grouping includes the obverse steel die of Douglas 50 along with a soft copper die trial at medium press strength. Very unusual, the die is very choice and nicely polished for striking. Also included is a white metal example of the finished piece. Did any one say "restrike"?

The signer of a SMYTHE bid sheet or participant in the auction concedes the jurisdiction of the courts of the U.S. in New York City or the New York State courts as SMYTHE alone shall elect. The participant in a SMYTHE auction also assumes both corporate and personal liability for unpaid auction bills.

19) SMYTHE may reopen the bidding on a lot under the following circumstances: 1) SMYTHE has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the auctioneer.

20) In the event of dispute, the auctioneer's decision is final.

21) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.

27) All material in this catalogue is unconditionally guaranteed to be genuine.

28) No lots may be returned by floor bidders except for non-authenticity.

29) Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or thirty days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it.

30) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (30 days after the sale,) notify SMYTHE of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.
